## MORRIS MINOR OWNERS CLUB

The Club for Morris Minor Owners in South Yorkshire

The Barnsley Branch of the Morris Minor Owners Club usually meets on the **first Thursday** of each month at **The Boatman's Rest, Worsbrough S70 4TD** starting at **7:30pm**. Directions From the M1 – Junction 36 take A61 towards Barnsley. In Worsbrough Bridge turn right on to B6100, then turn right at crossroads on to Station Road and first right on to Edmunds Road. For current information see [www.barnsleyminors.co.uk](http://www.barnsleyminors.co.uk)

The Branch is very active; we attend local shows, arrange visits to places of interest and organise various social events. Our Annual Rally takes place in May and we have held it at Elsecar Heritage Centre, Cannon Hall Farm (Barnsley) and Cusworth Hall (Doncaster). This event is not only well attended by Morris Minors but is also a meeting place for many owners of other classic cars.

Nationally we have Branch displays at the MMOC National Rally and various other rallies and indoor classic car shows. We have won awards for our displays at Telford, Blackpool and Manchester as well as representing the MMOC at the NEC. We formerly organised the Barnsley JOGLE (a 24 hour endurance run from John O'Groats to Land's End) for 15 years. Owners from all parts of the UK and Europe took part in this great adventure.

On a more practical note, there is a great wealth of expertise in the Branch. Our members are always helping each other by supplying spares, practical assistance or just giving advice. There is no need for you to be stuck; someone should have the answer to your problem. We are only a small branch (known as "The biggest little branch of the MMOC") but we like to think that we are a friendly one.

Our newsletter is published monthly and contains reports, notices, technical topics, adverts and photos. It is e-mailed (or posted/hand delivered if you don't have e-mail) to members about a week before the monthly meeting.
